

Strategic Operations Planning

List three of the domains in which you work at your school:

Identify a project in one of the domains above that will help fulfill the vision of your Core Values.

Break the project up into its component tasks:

1
2
3
4
5
6
7
8

Assign a priority to each task:

- ☐ A = Must get done (U + I)
- ☐ B = Should get done (I)
- ☐ C = Could get done (I not U)
