

Strategic Operations Planning

List three of the domains in which you work at your school:

Identify a project in one of the domains above that will help fulfill the vision of your Core Values.

Break the project up into its component tasks:

1
2
3
4
5
6
7
8

Assign a priority to each task:

- A = Must get done (U + I)
- B = Should get done (I)
- C = Could get done (I not U)

Identify a project in one of the domains above that will help fulfill the vision of your Core Values.

Break the project up into its component tasks:

1
2
3
4
